What the hack is a Hackathon?

A hackathon is a competition to create cool software and hardware solutions, during which free food and swag is given away, and talks and workshops are held to help with your projects.

Groovy, how can I learn more?

Come to our weekly meetings and sign up for our mailing list! If you're not getting HAkron emails yet, then email us at **team@hakron.io** and ask nicely to be added!
